

Money Game is Coming to Your Community!

Fun money skills for Native youth!

Tired of boring financial literacy lectures and lessons? Don't miss your chance to check out the exciting financial skills money game that's taking Indian Country by storm. The Spending Frenzy is your opportunity to:

Go shopping with \$50,000!

Purchase vehicles, homes, and food!

Identify wants and needs!

Save and invest big money!

Have a blast by taking a trial run at managing per cap, minor's distributions, seasonal income, or any other lump sum payments!
