**STREET DOG HERO HOSTS WELLNESS & VACCINE CLINIC FOR 86 ANIMALS IN WARM SPRINGS**

*in partnership with Fences For Fido, Central Oregon Veterinarians, and Warm Springs Fire & Safety*

(BEND, OR.) August 19, 2022 – Street Dog Hero, a Bend-based animal welfare nonprofit, teamed up with Central Oregon Veterinarians Dr. Cierra Buer and Dr. Tabitha Johnson, as well as Fences For Fido, Warm Springs Fire and Safety, and volunteers from all over Oregon to host a wellness & vaccine clinic in Warm Spring on August 13th.

This clinic provided free physical exams, vaccinations, flea and tick medications, treatment for minor wounds and infections (like cheat grass), and prescription medications to 86 dogs and cats owned by members of the Warm Springs community.

On the same day, Fences for Fido hosted a pet food bank - providing free food for community pets - and Street Dog Hero took in 15 surrendered puppies and dogs, including a nursing mother dog and her pups. These dogs will be available for adoption soon. All of Street Dog Hero's adoptable dogs can be found on their website [www.streetdoghero.org](http://www.streetdoghero.org).
