Join us as we witness our Native Language students (Warm Springs Ichishkiin, Kiksht and Numu): engage in a friendly competition to show their knowledge they gained from attending Native Language classes this year. Students from each language class will compete against each other. Parents are welcome to come watch their child(ren) compete. In efforts to keep noise levels down, we ask that only adults attend. Competitions are held during school hours so please check in at the front office.
